

Fun Facts and Quotes

- Huron Church Camp started in 1946.
- Most of our staff have been coming to HCC since they were small children; the 2012 staff represented over 436 years of camp life.
- Favorite spots at the camp include the lookout, the campfire circle, the playground, the beach and the splashpad (installed in 2006).
- Our very large 18' cross was made with logs from the original campfire circle.
- The world-famous Lake Huron sunsets and the night sky are God's gifts to the camp where you see the Milky Way, Northern Lights, meteor showers and a golden harvest moon.
- HCC is a faith-filled place where campers and staff lead morning and evening chapel services, grace before meals and bedtime devotions.
